EDUCATION

Sri Ramakrishna College of arts and science for women

B. Sc CS (AI); CGPA:7.12*(II Sem)

Coimbatore, Tamil Nadu

May 2025

Alvernia Matriculation Higher Secondary School

(Grade 12) Percentage: 67%

Coimbatore, Tamil Nadu

July 2024

Alvernia Matriculation Higher Secondary School

(Grade 10) Percentage :68%

Coimbatore, Tamil Nadu

July 2022

CAREER OBJECTIVE

Motivated B.Sc Computer Science (AI) student seeking a summer internship to gain practical experience in software development and enhance technical skills. Eager to learn, contribute, and grow in a real-world environment.

SKILLS

- Programming : Python(basics),C..
- Web Development : HTML,CSS,Web Designing.
- Database : SQL(Basic Queries).
- Tools: MySQL Workbench, Excel.
- Concepts : Basics of Machine Learning.

Soft Skills:

Communication, Problem Solving, Team Collaboration, Flexibility, Analytical Thinking, Leadership, Work Ethics, Creativity.

PROJECTS

AI Career Guidance Portal –Team Project

Assisted in developing a web-based application to suggest career paths based on user interests and skills

Supported basic frontend and backend tasks

Gained exposure to integrating machine learning concepts in real applications

Technologies Used: Python, HTML, CSS, JavaScript

Student Performance Prediction – Individual Project

Problem:

Predicting student performance based on study patterns is difficult and time-consuming.

Role:

Developed a machine learning model to predict student marks using study hours and input features.

Technologies Used:

Python, Pandas, NumPy, Scikit-learn, Matplotlib

Results:

Achieved accurate predictions and visualized performance trends for better understanding.

CERTIFICATIONS

Generative AI (GUVI)

SAWIT.AI Learnathon (GUVI)

Python Zero To Hero (GUVI)

Nurture her (cognizant)

Automatic Developer Associate Training(UiPath)

Computer fundamentals (INFOSYS SPRINGBOARD)

Programming in C (INFOSYS SPRINGBOARD)

AI Principles and Techniques (L&T EDUTECH)

Data Preprocessing and Analytics using Python(L&T EDUTECH)

ML Algorithm And Model Building (L&T EDUTECH)

Computer Vision- Open CV (L&T EDUTECH)

Robotics(ROBOMIRACLE)

INTERNSHIP EXPERIENCE

Signature Incorporation, Kozhikode – Internship(May 2025)

Contributed to the development of an AI-based Career Guidance Portal Supported application development and learned full-stack basics Gained exposure to real-time project workflow and team collaboration.

EXTRACURRICULARS

- Office bearer of the English Department,actively involving in organizing departmental events and student activities.
- Secured prizes in dance competitions,demonstrating creativity and performance skills.
